

ACADEMIC PROGRAMS

PCOM offers a range of programs designed to position our graduates for future success in the working world, as well as in further academic studies. PCOM students look beyond the obvious to find the best solution. Our students, regardless of their chosen academic path, are taught to care for the whole person as a foundation of their educational pursuits. We invite you to explore the programs offered at PCOM (<https://www.pcom.edu/campuses/philadelphia-campus/>) (Philadelphia, PA), PCOM Georgia (<https://www.pcom.edu/campuses/georgia-campus/>) (Suwanee, GA) and PCOM South Georgia (<https://www.pcom.edu/south-georgia/>) (Moultrie, GA).
